Accelerating *health equity*

The Max Foundation (Max) and its partners help patients in underserved areas at no cost to them, for as long as they need. Your support enables us to expand treatment access as we work toward our vision of a world where everyone can access quality healthcare, regardless of where they live.

Making progress, *one patient at a time*

34,000+ patients provided access to medication each year	20,000+ patients receiving support services, including education and transportation assistance	9,000+ diagnostic tests provided to patients each year	938 partners, including NGOs, corporate, ministries of health, and affiliated organizations	84 countries where medication access and support services are provided	14 diseases we provide medication access for

Celebrating worldwide impact

Max is launching an exciting new event—the **Global Impact Celebration**—to bring together our community of supporters and influential global health leaders from around the world to advance our bold goal of reaching 100,000 patients annually.

This reception-style evening will feature delicious drinks and bites, inspiring stories, and meaningful connections, all while enjoying breathtaking 360-degree views from Seattle's iconic Space Needle.

Join us for an unforgettable night of connection, celebration, and purpose as we honor our Pacific Northwest roots and worldwide impact.
